

ARK Net Parent/Student Access

1. Go to the FSA homepage.
2. Click on the Parent Portal in the upper right corner
3. Click "Sign me up"
4. Enter your email address, select a password and enter Guardian First and Last Name as well as phone number. Then Click Continue.
5. Enter the four digit Student ID (this is also the lunch account pin. If you cannot get this information from your student, call the school office), Enter the Student Birthday. Click Add then select Finish.
6. This will create an account. The account will then be activated by an administrator.
7. Once your account is activated, generally within 24 hours, go back to the Parent Portal enter your email address and password. You will then be able to see all of your student data.
